"Your music is WONDERful! Ethereal, celestial, and so richly layered and inviting."
AMY WHITE, USA

"Listen to Harald Peterstorfer's music and be transported through time and space.
You'll wake up by a mountain stream, a soft light filtered through the forest,
surrounded by mythological creatures, the echos of gentle music carressing your senses"
JAMES KLINE, France

"Such a soothing sound. Harald Peterstorfer is to the guitar what George Winston is to the piano"
DIANA HARTMAN, Germany

„I love your music, Harald - transports me to wonderful places“
MARIA LINNEMANN, Germany

„Harald Peterstorfer's last album „Inspirations“ is a wonderful travel in peaceful landscapes.
Inner drawings and ethereal lights. Acoustic guitar and heart full music. Let's have a dream..."
PHILIPPE FOUQUET, France

"INSPIRATIONS (Harald's 1st solo cd) is track after track of gorgeously embellished and heartfelt guitar
work...each riff of Peterstorfer's
acoustic guitar is like a line in a poem; taken collectively, they redefine language and its power..."
ROBERT SUTTON, USA Jazz Corner

"Harald is a musical poet, painting pictures with sound through his sensitive performances and imaginative
compositions. His music is both
strong and fragile at once, filled with vibrant melodic phrases, harmonic rhythms, as well as moments of
profound quietness."
JOHN DOAN, USA

„...und allmählich ergreift einen eine wunderbare Ruhe, eine behagliche Beschaulichkeit,
ein fantasievolles Träumen, Zeit scheint keine Rolle mehr zu spielen -
nur das Hören und Fühlen der Musik“
AKUSTIK GITARRE Germany

„Peterstorfer weiß zu erzählen, wie es eben ein guter Märchenerzähler vermag, und nimmt sich dabei alle
Zeit der Welt.
Ein ausgereiftes Werk, das nicht durch spieltechnische Mätzchen glänzt, sondern sich ganz auf
musikalische Substanz stützt –
es schimmert und funkelt und leuchtet in diesem Märchenwald...“
